

## **BOUNDARY BAY BREWERY AND BISTRO**

1107 Railroad Ave, Bellingham, WA [www.bbaybrewery.com](http://www.bbaybrewery.com)

This 17-barrel brewpub is located in a 1922 restored warehouse across from Depot Market Square. Proprietor, Ed Bennett, named the brewery after the bay at the Canadian-American border. They are committed to uphold the tradition of producing quality beers as fresh and unique as the area we live in.

**BOURBON BARREL OATMEAL STOUT:** This is a new twist on our famous stout. We run our original heavily dark roasted oatmeal stout through our Randal, which is stuffed full of bourbon soaked oak spirals, with a hint of vanilla bean. It's Divine!

**THAI PA:** A honey - ambered colored India Pale Ale with good body, fairly strong alcohol content and an aggressive "fresh hop" quality. Heavily dry hopped with kaffir lime leaves, galangal and lemongrass. ABV: 7% OG: 1.070

**GINGER PEACH BLONDE:** Fresh grated ginger gives this blonde a spicy finish along with the aroma and flavor of peach. One of Boundary's most unique brews.
