ELYSIAN BREWING COMPANY

1221 E. Pike St, Seattle, WA www.elysianbrewing.com

Elysian Brewing operates three Seattle restaurants - Elysian Capitol Hill, Elysian Tangletown, Elysian Fields and a full production brewery in the Georgetown neighborhood. Known for variety, Elysian has brewed over 300 beers since it opened on Capitol Hill in 1996.

SUPERFUZZ: Blood Orange Pale Ale - There's a new beer in town--Superfuzz Blood Orange Pale--and he's sticking it to the Man. Superfuzz is a beer you can get behind, with Pale, Munich and

Dextri-Pils malts and German Northern Brewer and Cascade hops to bitter and flavor. But it's Citra, Amarillo and blood orange peel and puree that'll really get you on your feet. Never dance? We'll see about that. With a starting gravity of 14° P/1.056, 5.4% ABV and layer on layer of mystical complexity, Superfuzz is shining, streaming, gleaming, flaxen, waxen.

DAYGLOW: This is an IPA with the insistent beat of hops, as driving and inevitable as a Full Moon party in Haad Rin. It drips with tropical, sunshiny Mosaic, and twinkles with touches of Eldorado and Centennial. A touch of wheat hazes the malt bill a bit around the edges, and the IBUs are stuck in the mid-sixties. SG 16°P/1.064; alcohol 6.5% by volume
