We are brewers of great English Styled Ales on a very small 1/2 BBL system. We will soon be one of the world's smallest production breweries. We take great pride in every batch to bring you consistent high quality brews year-round. You can find our fresh beers at our tasting room and select beer bars in the Seattle area.

CHIEF LIGHTFOOT- IRISH RED (Seasonal): Every fall, Chief Lightfoot would adorn his full traditional garb and dance each Saturday afternoon. People would come from all over the world to watch and enjoy. His legacy is remembered in Foggy Noggin's Irish Red Ale. The reddish hue brings this quaffable ale to your attention, the smooth, rich, rounded malty back-bone warms your senses, and the hint of dry bitterness in the finish makes you wish you had another pint.

I am Indian, I dance. This is my dance. **Póg mo thóin!** OG:1.054 IBU: 33 SRM: 26 ABV: 5.5 Malts: Maris Otter Pale Ale, Roasted Barley, Black, Crystal 120, Crystal 45 Hops: Goldings

DIABLO DEL SOL (ENGLISH PALE): Sparky would be proud of this incredible interpretation of an English Pale Ale. This beer has a bold hoppy aroma that will warn you to apply sunscreen and put on your sunglasses. A huge amount of hops are added to the end of the boil to make this beer pop. Nice balance with a rich malty sweetness and floral aggressive hoppy presence will have you thinking Spring is already here. ¡Salud! Malts: Maris Otter, Crystal Hops: Cascade OG: 1.056 IBU: 51 SRM: 12 ABV: 5.2
