

NORTHWEST BREWING COMPANY

1091 Valentine Av SE, Pacific, WA www.northwestbrewingcompany.com

A taste of Northwest Brewing Company's beers is akin to a trip around the world. The brewery, formerly Trade Route Brewing Company, finds inspiration in the trade routes of old, which is why its brewmaster incorporate exotic ingredients such as ginger when crafting each batch with time honored brewing methods. Not content to keep their flavors in liquid form, Northwest Brewing Company also slings a menu of gastro-pub cuisine backed by live music every Saturday night.
