

OMISSION

929 N. Russell St, Portland, OR 98227 <http://omissionbeer.com/>

We had a mission....to brew a great craft beer made from barley, hops, water, and yeast, brewed using a proprietary process to remove gluten. Omission beers contain gluten levels well below the CODEX gluten free standard of 20 ppm, as defined by the United Nations Food and Agriculture and World Health Organizations.

PALE ALE: A hop-forward American Pale Ale, brewed to showcase the Cascade hop profile. Amber in color with floral hop aroma complimented by caramel malt body. Gluten free! 5.8% ABV, 33 IBU

IPA: Northwest style IPA heavily hopped with Cascade and Summit for a notable pine. Citrus and grapefruit aroma. Crisp, clean and balanced. Gluten free! 6.7% ABV, 65 IBU
