

TWO BEERS

4700 Ohio St, Seattle, WA www.twobeersbrewery.com

In 2007, Two Beers Brewing Head Brewer Joel VandenBrink turned his hobby into his passion. After several years of homebrewing in his kitchen - with nothing more than a five gallon stockpot - Joel took a leap of faith. In six years Two Beers Brewing has grown from 100 barrels a year to nearly 6,000 barrels per year, now producing twelve unique beers in its SoDo brewery and tasting room. We have a strong love for the Pacific Northwest and all things outdoors. Our beers pay tribute to those experiences. Two Beers- "Life is just a little more honest after two beers".

EVO IPA: Evo is a showcase Northwest IPA, hopped with Yakima Valley Simcoe, Amarillo and Centennial, then aggressively dry-hopped with Simcoe and Columbus. Deep copper in color, it boasts a deep floral aroma with strong notes of grapefruit and tangerine citrus on the palate.

BELGIN WIT: A lively and refreshing ale brewed with fresh ground coriander and dried orange peel. A distinctive cloudy appearance and authentic Belgian yeast strain. Crooked Belgian Wit was the original beer we brewed and continues to be a
