1807 Dean Ave, Bellingham, WA www.wanderbrewing.com

Wander Brewing is an independent, family owned production craft brewery and tasting room located in Bellingham, WA. Our culture and beers are inspired by our experiences in the local and global communities that surround us.

WANDERALE: A Belgian Blond Ale. Belgian abbey yeast combines with pilsner malt and aromatic hops resulting in a flowery earthy spiciness.

GLOBAL MUTT: Imperial Baltic Porter. North American barley and hops join African cocoa, European chocolate, and Brazilian coffee beans in this dynamic beer.
